

Office of the Secretary of Defense

§ 22.825

(1) If the recipient pays the amount owed within 30 calendar days to the grants officer, the grants officer shall forward the payment to the responsible payment office.

(2) If within 30 calendar days the recipient elects to appeal the grants officer's decision, further action to collect the debt is deferred, pending the outcome of the appeal. If the final result of the appeal is a determination that the recipient owes a debt to the Federal Government, the grants officer shall send a demand letter to the recipient and transfer responsibility for further debt collection to a payment office, as described in paragraph (d)(3) of this section.

(3) If within 30 calendar days the recipient has neither paid the amount due nor provided notice of intent to file an appeal of the grants officer's decision, the grants officer shall send a demand letter to the recipient, with a copy to the payment office that will be responsible for collecting the delinquent debt. The payment office will be responsible for any further debt collection activity, including issuance of additional demand letters (see Chapter 19 of volume 10 of the DoD Financial Management Regulation, DoD 7000.14-R). The grants officer's demand letter shall:

(i) Describe the debt, including the amount, the name and address of the official that determined the debt (e.g., the grants officer under §22.815(d)), and a copy of that determination.

(ii) Notify the recipient that the debt is a delinquent debt that bears interest from the date of the grants officer's decision, and that penalties and other administrative costs may be assessed.

(iii) Identify the payment office that is responsible for the collection of the debt, and notify the recipient that it may submit a proposal to that payment office to defer collection, if immediate payment is not practicable.

(e) *Administrative offset.* In carrying out the responsibility for collecting delinquent debts, a disbursing officer may need to consult grants officers, to

determine whether administrative offset against payments to a recipient owing a delinquent debt would interfere with execution of projects being carried out under grants or cooperative agreements. Disbursing officers may also ask grants officers whether it is feasible to convert payment methods under grants or cooperative agreements from advance payments to reimbursements, to facilitate use of administrative offset. Grants officers therefore should be familiar with guidelines for disbursing officers, in Chapter 19 of Volume 10 of the Financial Management Regulation (DoD 7000.14-R), concerning withholding and administrative offset to recover delinquent debts.

§ 22.825 Closeout audits.

(a) *Purpose.* This section establishes DoD policy for obtaining audits at closeout of individual grants and cooperative agreements. It thereby supplements the closeout procedures specified in:

(1) 32 CFR 32.71 and 32.72, for awards to institutions of higher education and other nonprofit organizations.

(2) 32 CFR 33.50 and 33.51, for awards to State and local governments.

(3) 32 CFR 34.61 and 34.62, for awards to for-profit entities.

(b) *Policy.* Grants officers shall use their judgment on a case-by-case basis, in deciding whether to obtain an audit prior to closing out a grant or cooperative agreement (i.e., there is no specific DoD requirement to obtain an audit prior to doing so). Factors to be considered include:

(1) The amount of the award.

(2) DoD's past experience with the recipient, including the presence or lack of findings of material deficiencies in recent:

(i) Audits of individual awards; or

(ii) Systems-wide financial audits and audits of the compliance of the recipient's systems with Federal requirements, under OMB Circular A-133, where that Circular is applicable. (See §22.715(a)(1)).
